
Pharmacy Assistant / Medical Reception

Posted by kazrikt - 2008/08/14 10:41

I live in Adelaide, SA.

I am looking for any training courses (part-time or online)
as I work evening shift in aged care and have am commitments.

I am an older mum and looking to restructure my life.

I am looking for either a PHARMACY ASSISTANT course or MEDICAL RECEPTION course preferably in the Northern suburb area or online.

Can anyone help?

Thankyou. :)
